

# Request for Proposals for Snow Removal Services – Mesgi'g Ugju's'n (MU) Wind Farm

June 27, 2019

Senvion Canada Inc. and Parc éolien Mesgi'g Ugju's'n (MU) are requesting proposals for a snow removal contract for a duration of three (3), five (5) or seven (7) years (winters of 2019-2020 to 2025-2026). This contract provides for different snow-clearing options identified in the RFP document.

Companies interested in submitting a bid may obtain an RFP document from Ms. Marie-Christine Chicoine:

By email: [MCChicoine@innergex.com](mailto:MCChicoine@innergex.com)

By phone: 418-395-2865, ext. 221

Bids shall be received no later than Friday, August 30, 2019 (3 p.m.).

Bidders wishing to obtain additional information on this RFP shall email their enquiries to [jean.lux@senvion.com](mailto:jean.lux@senvion.com) with [Ileblanc@innergex.com](mailto:Ileblanc@innergex.com) in c.c. No information obtained verbally with regard to this RFP shall entail any liability on the part of Senvion Canada Inc., Parc éolien Mesgi'g Ugju's'n (MU) or their representatives.

Senvion Canada Inc. and Parc éolien Mesgi'g Ugju's'n (MU) make no commitment to accept the lowest or any of the bids received and assume no responsibility for any expenses or damage that might be incurred by any of the bidders pursuant to this request for proposals.
