

## Innergex Sport Excellence Program

In order to promote a healthy lifestyle and help young people achieve success in their sport of choice, Innergex Renewable Energy is proud to put together the **Innergex Sport Excellence Program** for the 3 Mi'gmaq communities in Gaspésie.

Innergex will offer a total of \$4,500 in 2020 to members of the Mi'gmaq communities. All amounts will be offered as sponsorships and will range between \$100 and \$1,500 per athlete, depending on evaluation and nominations received.

The deadline to submit a nomination is January 31, 2020 and successful submissions will be announced no later than February 28, 2020.

Sponsored athletes will have to offer how they will recognize Innergex (will be determined by the amount received and the visibility allowed by the athlete's sport).

### Application guidelines :

- All submission will have to be received no later than January 31, 2020.
- The maximum amount for a single sponsorship will be \$1,500.
- A nomination form can be rejected if not fully completed or signed.
- Depending on the number of nominations, Innergex has the right to not disburse the entire program funding in a single year.
- Each nomination is valid for the calendar year in which it was disbursed and requests will have to be submitted on a yearly basis.

### Eligibility criteria :

- The athlete must practice an amateur sport at an **excellence level** and must have practiced this sport for at least 3 years.
- The athlete must be part of Gespeg, Gesgapegiag or Listuguj.
- The athlete must be aged between 10 and 18 inclusively.
- The athlete must offer reasonable visibility to Innergex, determined by the amount received and the practiced sport.
- If the athlete practices more than one sport at a high level, distinct nominations must be completed for each sport.
- Teams or groups are eligible and will be considered as one nomination (the amount will be offered to the group and not to each team member individually).

To participate, please complete the enclosed nomination form and email it to [sleclerc@innergex.com](mailto:sleclerc@innergex.com) or send by mail to:
